

STRONG GROWTH

18.5% since recommendation

Graphics specialist Orad Hi-Tec has demonstrated double-digit growth in the first half of the year, Turnover increased by 13.3% to 18 million USD (about 10.2 million Euros). The operating margin climbed to 9.8 percent, the gross margin to 72%. Based on the strong, ongoing demand for video solutions, VEM Aktienbank analysts anticipate that the positive trend will continue, and that Orad Hi-Tec will achieve double-digit growth over for the entire year as well.
